

VERITAS™

# It's Time to Modernize or Move Aside

**It doesn't matter whether you're a born-in-the-cloud bank or an established financial institution—disruptive tech is here to stay, so lead the way or lag behind.**

The growth of cyber threats is forcing organizations to adapt. Manage your assets and customer data with total confidence to offer unrivaled digital customer experiences.

Here's how to **innovate**, **adapt** and **grow** the safe and secure way.

## Digitize to Differentiate

We surveyed financial services executives from **245** companies.

**48%**

of respondents admitted the data security measures they were implementing were falling behind digital transformation deployments.\*

**Zero trust with zero risk for financial institutions**

You've embraced digital, so don't let your security lag behind.

Modernize with the most complete, easy-to-use and interoperable data management solutions on the market.

Take these three steps

## Reduce Your Risks with Data Visibility

**80,000+**

customers\*\*  
worldwide

**20/20**

largest financial  
services companies

**19/20**

largest  
commercial banks

# Modernize Without Compromise With Veritas
